1. **BACKGROUND & PROGRAM OVERVIEW**

i. The Government of Kenya has received financing from the World Bank towards the cost of the Kenya Water Sanitation and Hygiene (K-WASH) Project. It intends to apply part of the proceeds to payments under the contract for the execution of water supply and distribution infrastructure across Garissa County.

ii. The County Government of Garissa, through the Department of Water Services, is implementing climate-resilient rural and semi-urban water supply infrastructure under the K-WASH Program. The objective is to expand sustainable access to improved water, sanitation, and hygiene services in drought-prone communities.

iii. The County Government of Garissa invites all eligible bidders to participate in the tender. Tender documents, including the detailed Terms of Reference (TOR) for the assignment, are available on the **Garissa County Government website** at www.garissa.go.ke and the **Public Procurement Information Portal (PPIP)** at tenders.go.ke.

2. **CONTRACT DURATION**

The execution period for the physical works across all seven (7) schemes shall be **(4) Calendar Months** from the contract commencement date, with a subsequent defects liability period as specified in the contract terms.

3. **SUBMISSION DETAILS**

Expressions of interest must be delivered in written form to the address below in person, by mail, or by email on or before Tuesday 15th **September at 10:00 hours East African Time (EAT)**.
